

Mack – Mack was born on October 26, 2011 and was unmistakable from the start. He was big and solid even as a little puppy. His calm, even temperament was evident from the start.

In the field as a juvenile, Mack excelled and got better and better showing strength and intelligence in his run and game finding ability. He handles easily and to the front at all times. He was awarded LaSalle Brittany Club's juvenile dog of the year for both 2012 and 2013.

Mack completed his Field Championship in March 2016 making him the 636 Brittany Dual Champion.

In the ring, Mack is very distinctive as he looks so beautiful when seen from both the front and the side. His side gate is quite lovely with tremendous reach and drive. Mack finished his show championship in June 2015.

Mack is OFA good and you can see his Penn Hip results which are quite outstanding on a separate link within this website. He is available to approved bitches for live breeding or will ship chilled.
